Principal's Message

Firstly, I would like to take this opportunity to congratulate our students, families and community for an excellent term. The staff and I wish everyone a safe and happy school holidays. Students will return on Tuesday the 1st of May.

School Fete

I would like to extend a huge thank you to all the school families and community members who organised, volunteered and attended the school fete. The festivities, crowd numbers and weather were great.

Burrinjuck Small Schools Cross Country Carnival

Well done to all our students who participated in the Burrinjuck Cross Country on Monday, in particular Baxton, Clarissa, Hunter and Kai who have qualified for the District Cross Country. Cheers to our P & C for running the canteen.

Mufti Day

The last day of school will be mufti day. Students can wear appropriate clothing that is not school uniform. It will be a gold coin donation. All students voted and the majority decided to donate the money to the RSPCA.

PSSA Touch Football

Congratulations to Grace and Baxton for progressing through to the PSSA Southern Tablelands Touch Football Trials this week. This was a great opportunity for our students to play competitive sport and interact with other students from other schools.

Kindy Enrolments for 2019

We are calling for enrolments for Kindergarten in 2019. If your child is starting school next year, please ring the office or come and see us to enrol.

Wireless Internet

Our school has been included in the Connecting Country Schools (CCS) Project, which is delivering upgraded wireless connectivity and internet access to more than 900 schools around the state. CCS will deliver upgraded and reliable wireless access in all our learning spaces, assisting teachers to deliver future focused learning to prepare our students for digital age jobs.

Administration Building

At this stage, the building works are ongoing and continuing in the Administration building. We will give you an update in the first week back next term.

Opportunity Class

If you would like to have your child considered for the Year 5 Opportunity Class in 2019, you need to apply soon. Please contact the school office for further information.

School Grounds – Holidays and Weekends

Again, just a friendly reminder to our school community with regards to accessing the school grounds in the holidays and on weekends. Having the community use the school grounds prevents vandalism and other opportunistic damage to the school. We are happy for the community and families to use the oval and play equipment, as long as children are supervised by an adult.
