Principal's Message

ANZAC Day

Thank you to those families who attended the ANZAC Day commemoration in Gunning during the holidays. It was great to see local schools involved in the Gunning service.

Activities at School

We have started the term with plenty of maintenance activities going on at the same time. Both classrooms have been freshly painted, the sewerage system for the toilets has been upgraded and the old pipes are being replaced around the Administration building. Currently the only access to Admin is through the library. Toss in a planned power outage on Wednesday and we had absolute turmoil, hence the learning day at Gunning PS. Please avoid being on school grounds over the weekend.

Dalton Park Collaboration Days

Our weekly collaborative learning days continue this term with Dalton travelling to Rye Park on Thursdays. Mrs Finlayson, Mrs Harrison and Mrs Foran are transporting the students. Students need to be at school each Thursday at 8.30am.

Alison Finlayson
Principal

Library

Library borrowing will be on Wednesdays for Term 2. Please return your books from last term.

Earn & Learn

We've started collecting Woolworths Earn & Learn stickers. We have a collection box near the checkouts at both the Yass & Goulburn stores, or you can drop the stickers into the school office. In previous years we have redeemed stickers for two giant polydron sets which the students continue to play with every day during recess and lunch breaks. Thank you for your support.

P&C

The P&C will be running a BBQ for the Federal Election on Saturday 18th May. If anyone has any spare time could you please let Kahli know on 0447 054629 or through the P&C Facebook page.
