Activities at school

Due to the ongoing disruption with the maintenance at school, our regular newsletter is safely packed away, somewhere ...

Rye Park bottle tops swap for Dalton Woolies Earn & Learn

Our collaborative learning days are proceeding well. Rye Park are collecting Earn & Learn stickers for us as they are not participating this time. In return, we are collecting plastic bottle tops from milk and orange juice containers for a school project. If you are able to save your plastic tops and drop them into our front office we'd appreciate it.

Overnight excursion

Our Primary students will be attending an overnight excursion to Wee Jasper on Tuesday 11th & Wednesday 12th June. The cost per student is \$50. The school will cover half the cost (\$25). More details and a permission note to follow.

Alison Finlayson
Principal

Upcoming Events

7	Tues 11 th & Wed 12 th June	Wee Jasper excursion – Primary students only
8	Wednesday 19 th June	Rye Park collaborative learning – circus
